

WTX KidMin Journey

We're kicking off our WTX KidMin Journey again this fall. Here's what you can look forward to...an opportunity to be with like-minded ministry people who serve in ministry to children and families. Accountability in your walk with Jesus. Need a safe place. Details below.

- Want to participate? contact Jennifer Sommers - jsommers@gen-church.org text 817.919.8078 OR Bryson Turner - bryson@fcnhome.com text 806.860.5008
- Who can join? Anyone who serves in children's ministry on the West Texas District
- Books we are working through:
 - Fall 2024 - *Resilient Child Discipleship* by Valerie Bell Available at Amazon, Kindle, Thrift Books, Awana and more
 - The image shows the front cover of the book 'Resilient Child Discipleship' by Valerie Bell. The cover is primarily blue with a pattern of small white dots. The title 'RESILIENT' is written vertically in white on the left side, with a yellow plus sign below it. At the bottom, there is a subtitle in white: 'CHILD DISCIPLESHIP IN THE HEART AND MIND OF THE CHURCH'.
 - Spring 2025 - TBA
- Journey Structure:
 - WTX Journey Facebook Messenger to communicate - contact Jen for an invite
 - Marco Polo app - download and sign up. Jen will send you an invite and to our WTX Journey group

Marco Polo

- Each week, our leadership team will send out a brief Marco video to the group, with a specific challenge for that week. You need to respond at least one time during the week before the next Sunday.
- Challenges will include:
 - What spoke to you from that week's *Resilient* chapter
 - Possibly the Essential Questions at the end of each chapter
 - How we can pray for you that week
- We ask that you try to **keep your Marcos to around 5-7 minutes max**, especially as our group grows. Just know that for us to be able to watch all of the videos each week it works best if they are "bite-sized." 😊 You can share more in our FB messenger group.
- Feel free to send video responses back and forth to the group or individually as the Lord leads. Our prayer is that this structure will help us build deeper and stronger relationships across our district as we communicate through Marco and FB messenger.
- If you happen to miss a Marco one week, please just share from that current week's chapter, do not go back and share from the chapters you missed. This is to help with the length of the videos. Again, you can share more in the FB messenger group.
- Accountability
 - Bryson and I will be checking in on you and contacting you if you do not send a Marco or participate each week. It will be done in love and grace but I think for this to be as effective as possible, you need to be engaged.

If you have any questions, concerns or thoughts don't hesitate to reach out at your earliest convenience. My contact info is above.
